

# Discover Retail Management

*Take your career to the next level*

The Retail Management Certificate is designed for future and current employees in a variety of retail operations, including:

- grocery stores,
- department stores,
- specialty retailers and
- wholesalers

The courses provide real-world instruction about what is involved in managing a retail sales operation or line of merchandise and the knowledge and skills needed to excel in the profession.

Courses in this program can be used to satisfy the Western Association of Food Chains Retail Management Certificate. *Many local employers also provide tuition reimbursement to pay for the Retail Management classes.*

**Winter term classes begin January 5.**

**Spring term classes begin March 30.**

Contact us today to find out how easy it is to get started!
