

Student Technology Login Information

Usernames and passwords are constructed by pulling information from the main campus database. If any information was left off of the registration form, an alternate username and/or password construct was made.

Email username must contain "@students.tvcc.cc" to specify login to the TVCC student email server.

Computers: Classroom, Library, Labs, Wireless

Applications: Blackboard, MyTVCC

USERNAME :

first initial + middle initial + last name
like this: Joe Oliver Smith = josmith *

No middle initial? Or didn't write it down at registration?

first initial + last name
like this: Joe Smith = jsmith **

PASSWORD:

last 4 #s of SSN + _ + 4 digit birth year
like this: 5555_1985

(* type SHIFT + dash (above the letter P) to get an underscore)

No SSN? Or didn't write it down at registration? Password will be: first 3 letters of username and first 3 numbers of student ID number

like this: jos234 if you gave your middle initial *

like this: jsm234 if you did not give your middle initial **

WIRELESS:

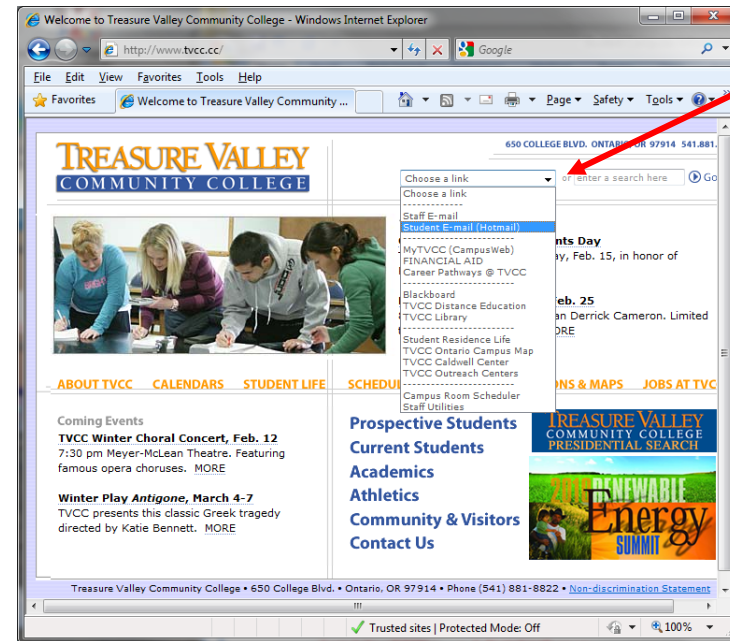

Apply for wireless access here:

www.tvcc.cc/iss/wirelessaccess.cfm

Fill in the form and submit.

Use the same Username and Password.

Click the "Choose a link" dropdown menu to access Student Email, Blackboard, and MyTVCC.

EMAIL – Student Email is provided by Microsoft.
Your Email username is:

YOURusername@students.tvcc.cc

Password: Same as outlined before
